### **Arbitration Experience**

Dr. Wolfgang Peter is recognized by clients and his peers as one of the most in-demand counsels and arbitrators in Europe and globally. Dr. Peter is particularly active in cases involving complex issues of valuations, including post-M&A disputes, joint ventures and projects stemming from the heavy industry. He has particular expertise in cases involving gas & oil contracts, including upstream and downstream projects, as well as price reviews under long-term gas supply agreements. Dr. Peter regularly advises third-party funding companies in evaluating the merits of the Claimant(s)' cases, especially with regard to the damages. An active speaker and contributor to the arbitration community at large, he is a member of the LCIA Board of Directors and of the ASA Board. Prior to his new venture, Dr. Peter founded and headed the arbitration group of Python & Peter, and acted as a CEO of two luxury watch-making companies for 12 years.
