First State Examination in Law (Bonn/Cologne, 1979); Dr. iur., School of Law of Geneva University (Cum Laude, 1983); Second State Examination in Law (Düsseldorf, 1984), LL.M. Columbia University School of Law, 1985. Admitted to Paris, New York and Düsseldorf Bar. Member of International Bar Association, French, German, Belgian, Dutch, Swiss and UK Arbitration Associations.

Current Position

Founding Partner of BÜHLER ARBITRATION

Professional Experience

Member of International Court of Arbitration of ICC (1997-2009) and of ICC Commission on International Arbitration (1988 – 2022); Co-Chair of ICC Task Force on the Revision of the 2012 ICC Rules of Arbitration, Lead Consultant to OHADA for the reform of the Uniform Arbitration Act, the CCJA Arbitration Rules and the adoption of the Uniform Mediation Act.

Arbitration Experience

Acted as lead and co-counsel in over 180 arbitrations, and as arbitrator in over 75 cases in infrastructure, construction and energy related disputes, including gas price review arbitrations under long term supply contracts, all types of commercial disputes in many different industries (including M&A related, IP/trade secret disputes) under many different laws and the Rules of many different arbitral institutions around the world, as well as investor-state disputes (ICSID, PCA). Worked as counsel at International Court of Arbitration of the ICC (1985-1988), since then in private practice based in Paris.

Publications

WEBSTER/BÜHLER, Handbook of ICC Arbitration, 5th edition, 2021 (Thomson Reuters); several articles on international arbitration; for further details see <https://buhlearbitration.com/publications/>
