Current Position

Partner, International Arbitration Group
Dechert LLP (Singapore)

Professional Experience

Over 15 years experience in international arbitration, including over 50 commercial, investment treaty and sports arbitrations as counsel and over 15 cases as arbitrator. Industry sectors covered include oil and gas, mining and other forms of energy and natural resources, including nuclear energy, renewable energy and fossil fuels, construction, banking and finance, agency agreements, agriculture, food and beverage, cosmetics and luxury goods, investment agreements, insurance, power projects, advanced technology including microchips, electronics and satellites, shipping, taxation, chemicals, biotechnology and life sciences, mergers and acquisitions, share purchase agreements, and sports.

Laws applied as counsel and arbitrator include those of Australia, Canada, China, Czech Republic, Korea, England and Wales, France, Indonesia, Mongolia, Nigeria, Qatar, Russia, Singapore, Sweden, Switzerland, the UAE and Vietnam and several states of the United States, as well as public international law.

Arbitration Experience

Appointed as arbitrator in over 15 cases under the ICC, LCIA, SIAC, KCAB and SCC rules, as well as an ad hoc arbitrator appointed under the Singapore International Arbitration Act (IAA) and the Singapore Arbitration Act (AA).

Publications

Author of the leading commentary on the SIAC Rules, A Guide to the SIAC Arbitration Rules (with L. Reed and J. Choong), published by Oxford University Press, in August 2014. In addition, Mr Mangan has written over 40 published articles, book chapters, book reviews and client briefings, and is the global co-editor of Global Arbitration Review Investment Treaty know-how series. A full list of publications is available upon request.
