Educational/Professional Memberships

She is on the panel of arbitrators of various arbitral institutions, including RCAKL, BANI and SIAC. On an international level, Ms Moh is a Distinguished Neutral on the International Arbitrators panel of the CPR Institute for Dispute Resolution (New York).

Current Position

Senior Counsel, Chevron Asia Pacific Exploration and Production (Singapore).

Professional Experience

She was the Head of International Arbitration Practice Group (Singapore) for Herbert Smith, international law firm. She has extensive multi-jurisdictional legal experience and has practised in Malaysia, Australia, UK, and Singapore. Notably, she has led team of lawyers, and acted as main counsel in the resolution of large-scale international commercial disputes, including a number of high profile disputes covering large state infrastructure projects up to USD2 billion in value.

Arbitration Experience

She has been involved in arbitrations including energy; construction, derivatives, and commercial trade. Her arbitration experience covers projects based in Asia, Australia, Europe, and Africa under ad-hoc and various institutional rules.

Languages

fluent in English and Malay, conversant in Mandarin and Cantonese
