### Current Position

Co-Head of the International Arbitration Group at Lee & Ko

### Professional Experience

With over 28 years of experience as a litigator and arbitrator in complex multinational disputes, Mr. Lim has been consistently noted as a leading practitioner in the area of dispute resolution by various legal publications including Legal500 Asia-Pacific, Chambers & Partners Asia-Pacific, Asialaw Leading Lawyers, WHO'S WHO LEGAL, and The Guide to the World's Leading Litigation and Product Liability Experts. He served as an inaugural member of the Singapore International Arbitration Centre (SIAC) Court of Arbitration amidst the 16 most prestigious arbitration practitioners around the world. Recently, he has been selected as a member of the International Advisory Board of the Vienna International Arbitral Centre (VIAC).

Mr. Lim also serves as Vice-President of the Korean Arbitrators Association (KAA), Director of ICC Korea and Vice-President of the Korean Council for International Arbitration (KOCIA). He is a member of the Law Reform Commission for Amendments to the Korean Arbitration Act. As a member of the International Arbitration Committee of the Korean Commercial Arbitration Board (KCAB), he also leads the effort to revise the KCAB International Arbitration Rules.

Mr. Lim recently published "*International Arbitration*", the first and only Korean treatise solely dedicated to international arbitration. *International Arbitration* has received acclaim from academics and practitioners alike.

### Arbitration Experience

- Successfully acted for a Korean company in the wind power business in a KCAB arbitration involving a claim for KRW 20 billion against a Danish company in relation to defects in wind turbine generators.
- Successfully represented a major Korean construction company in an ICC arbitration involving a KRW 40 billion claim against a Luxembourg company related to disputes over Busan New Port Construction.
- Obtained a favorable award for a Korean power exchange company in a KCAB arbitration over NEMS (New Energy Management System) against a French company.
- Obtained ICDR (AAA) award in favor of a major Korean company in a KRW 100 billion dispute related to an ATM supply contract.
- Successfully represented a Korean company in an ICC arbitration related to a dispute over insurance company's stock estimated at KRW 600 billion. Obtained an ICC award involving a KRW 40 billion claim related to service agreement for dredging and reclamation work.
- Successfully represented a Korean public enterprise in a KRW 50 billion ICC arbitration related to a joint venture.
- Successfully represented a Korean Electronic Company in an ICC arbitration against

- an UAE company involving disputes over distributorship agreement.
- Successfully represented a Korean company in an ICC arbitration involving trade secret issues in the amount of KRW 80 billion.
- Successfully Represented a Korean shipbuilding company in an English *ad hoc* arbitration related to a breach of warranty claim under a construction contract for a floating offshore transfer platform.
