Current Position

Queen's Counsel and Arbitrator in full time practice at Essex Court Chambers, London

Professional Experience

Jeffrey Gruder QC is a leading Counsel and has considerable experience of acting and advising in a large variety of high value and complex commercial disputes. He has appeared in excess of 150 reported cases, including 4 cases in the House of Lords and has been involved (both as counsel and arbitrator) in numerous LCIA, ICC, LMAA, UNCITRAL, Swiss Chamber and SIAC arbitrations both in London and worldwide. He is consistently recommended as a leading counsel in both the Legal 500 and Chambers UK directories and praised for his intellectual ability, incisiveness and approachability.

Arbitration Experience

In addition to acting as advocate in numerous arbitrations, Jeffrey Gruder QC has sat as arbitrator in numerous disputes under ICC, LCIA, SIAC, UNCITRAL, Swiss Chamber and LMAA rules. He has also sat at various venues outside England including Singapore, Washington, Zurich and Brussels.

The subject matter of the disputes in which he has been involved are varied and include, fraud, insurance and reinsurance, patent licensing agreements, oil rig and ship construction, joint venture and partnership breakdowns, oil and gas, finance and banking, shipping and charterparties and art law
