### **Educational/Professional Memberships**

BA Trinity University; MA Harvard University; MA course (no dissertation), Seoul National University College of Law; JD, NYU Law School; Fellow, Chartered Institute of Arbitrators; Fellow, Singapore Institute of Arbitrators; Fellow, Member of California Bar.

### **Current Position**

Arbitrator & Mediator, Fountain Court Chambers (Singapore); Adjunct Professor, National University of Singapore Law School; Member, SIAC Court

### **Professional Experience**

Prior to commencing practice as an independent arbitrator in 2013, acted as counsel in numerous arbitrations under most major arbitration rules and in various sectors. Former partner and co-founder of international arbitration practice at Shin & Kim, one of Korea's oldest and largest full service law firms (2009-13). Previously practiced international arbitration with Shearman & Sterling in the US and Singapore, and with Kim & Chang in Seoul. Served as Associate Professor, Seoul National University Law School (2015-19).

### **Arbitration Experience**

Appointed as sole, chair or co-arbitrator in over 200 international arbitrations. Experience as sole, chair and co-arbitrator under SIAC Rules, including as Emergency Arbitrator, as sole arbitrator under SIAC Expedited Procedure, and under the UNCITRAL Rules administered by SIAC. Also appointed in arbitrations under the rules of the ICC, HKIAC, AAA/ICDR, ACICA, AIAC/KLRCA, BAC, CAA, CIETAC, DIS, JCAA, KCAB, SCC, UNCITRAL (administered and ad hoc) and VIAC. In addition to general commercial disputes, experience as arbitrator includes: joint venture and shareholder disputes, shipbuilding, construction and infrastructure projects, energy, intellectual property, licensing, manufacturing, automobiles, heavy machinery, international trade, shipping, distributorship and agency agreements.

### **Publications**

Recent Publications include:

"The Problem of Undisclosed Assistance to Arbitral Tribunals", in *The Powers and Duties of an Arbitrator*, Kluwer, 2017.

"Enforcement and Execution of Arbitral Awards in Korea: A Cautionary Tale", in *Asian Dispute Review*, April 2014.
