

COVID-19 Information for SIAC Users

Dear colleagues,

In light of the developing COVID-19 situation, we are mindful of the potential impact this may have on the progression of arbitrations. We would therefore request that arbitrators, legal counsel, parties and other users take into account the relevant official directives issued by the government of the following countries when considering any in-person meetings or hearings on your cases:

- a) Country of departure;
- b) Country of transit; and
- c) Country of arrival.

If Singapore is one of the countries which you will be visiting, you may obtain the latest updates of Singapore's official directives on travel restrictions [here](#). More information on the COVID-19 situation in Singapore may be obtained [here](#).

We would encourage users to take note of the precautionary measures stipulated by Maxwell Chambers if in-person meetings or hearings are scheduled within the premises. The details can be accessed [here](#). Alternatively, you may consider using the Maxwell Chambers Virtual ADR Services for your cases in place of in-person meetings or hearings. The details can be accessed [here](#).

Please be assured that the SIAC Secretariat continues to provide responsive and efficient case management services. If you have any queries regarding the progress of your case with SIAC, please feel free to contact the Secretariat at +65 6713 9777 or email the SIAC Counsel in charge.
