### **Educational/Professional Memberships**

Bachelor of Engineering (Chemical), First Class Honours, National University of Singapore  
Bachelor of Laws (Honours), Second Upper Division, National University of Singapore  
Advocate and Solicitor of the Supreme Court of Singapore  
Law Society of Singapore  
Fellow of Singapore Institute of Arbitrators  
Member of the Society of Construction Law, Singapore  
Member of the Institute of Chemical Engineering, Singapore  
Member of the International Trademark Association

Singapore Institute of Arbitrators: Member of Educational & Training Committee, Tutor, International Entry Course

### **Current Position**

Associate Director, JurisAsia LLC

### **Professional Experience**

Arthur began practice with a boutique intellectual property firm and continues to be part of the intellectual property team at JurisAsia LLC. His primary area of practice was in contentious intellectual property disputes including patent litigation, licensing and franchise disputes and trade secret / confidential information disputes. With his engineering background and experience in dispute resolution, his practice has also expanded into construction and tech disputes, as well as commercial disputes.

### **Arbitration Experience**

Arthur has over 10 years of experience as counsel in dispute resolution. Most of his experience lies in litigation before the Singapore High Court but has acted as counsel in several SIAC and ICC arbitrations in the course of his practice. In these arbitrations, he has represented property developers and large coal companies.

### **Publications**

Nil.

### **Languages**

English (written and spoken); Mandarin (spoken)
