

Curriculum Vitae as Arbitrator from Professor Dr. Fausto de Quadros

I – Personal Details

Nationality/Date of Birth: Portuguese. Born in Goa, former portuguese colony in India, 10-2-1944.

II – Arbitration Activity

He is an International Arbitration Lawyer and an Independent Arbitrator. He was an *ad hoc* Arbitrator of “Mercosul” (“Mercado Comum do Sul”) or "Mercosur" ("Mercado Común del Sur") in South America. He is an Arbitrator of ICSID (World Bank), European Commission (European Union), BAC/BIAC (Beijing Arbitration Commission and Beijing International Arbitration Center), SIAC (Singapore International Arbitration Centre), CAESP-Conselho Arbitral do Estado de São Paulo (Brasil), CAMARB (Camara de Mediação e Arbitragem Empresarial – Brasil), Portuguese Association of Arbitration and Centre of Arbitration of Angola.

He has been an Arbitrator in several important proceedings concerning, namely, National and Foreign Investment, Public and Private Contracts, National and International Contracts, Public and Private Companies, National, European and International Law of Foreign Property (incl. Nationalizations and Direct and Indirect Expropriations), Privatizations and Reprivatizations, National, European and International Competition Law, State Aids, Administrative and Financial Regulation, International Trade Law, Energy (incl. Energy Charter Treaty), Petroleum, Gas and Renewable Energy, Mining, Banking, Health Law, Environmental Law, Law of the Sea, International Water Law.

Some of the most important national arbitrations in which he has been an arbitrator, all of them submitted to Portuguese law, the seat was in Portugal and Portuguese being the language of the arbitration, unless explicitly referred otherwise. The amount of the disputes is referred to the date of the disputes:

- 1989-1992: dispute between a company which was supplier of electric energy and a municipality on a supply contract. Amount of the dispute: 20 million euros. He was the Arbitrator appointed by the municipality for a three-arbitrators tribunal. Subjects concerned: breach of contract; rebus sic stantibus clausula; Energy Law.
- 1992-1993: dispute between two multinational banking syndicates regarding the sale of a bank in which there was an error in the provided information regarding the bank's liabilities. Amount of the dispute: 50 million euros. He was President of a three-arbitrators tribunal. Subjects: International Contracts; Banking Law; Civil Law; Company Law.
- 1995-2000: dispute between an international private consortium and the Portuguese State regarding a project finance contract with regard to the public works for the construction of a reservoir in the Alentejo and in the Algarve, in south of Portugal, which involved tens of thousands of hectares. Amount in dispute: 150 million euros. He was the Arbitrator appointed by the private consortium to a three-arbitrators tribunal. Subjects: Construction; Public works; increase of contract costs via the inclusion of extra works and the subsequent application to reinstate the financial equilibrium; breach of contract; failures by the State in the supervision of the performance of the contract; exceptions to the jurisdiction of the Tribunal.
- 2002-2004: dispute between an international financial consortium and the Portuguese Republic regarding the management, by the

consortium, of a very large hospital. Amount in dispute: 100 million euros. He was the Arbitrator nominated by the State to a three-arbitrators tribunal. Subjects: Construction Law; Civil Law; Company Law; Administrative Law; Health Law; Concession Contracts/Management Agreements; management of a public hospital by a private company; Administrative and Financial Regulation; breach of contract; failures by the State in the supervision of the performance of the concession contract/management agreement.

- 2004-2005: dispute between an international consortium and the Portuguese State regarding the increase of the cost of a construction project finance and public works concession contract/management agreement, via the modification of the contract, while it was being performed. Amount in dispute: 49 million euros. He was the Arbitrator appointed by the consortium to a three-arbitrators tribunal. Subjects: Public Law Contracts; Concession Contracts/Management Agreements; Construction Law; rebus sic stantibus clause; error in the interpretation and performance of the contract.

- 2011-2012: dispute between a public enterprise and an international private consortium regarding a public works contract for the supply of water in the Alentejo, Portugal. Amount in dispute: 50 million euros. He was President of a three-arbitrators tribunal. Subjects: Construction; Public Works Contracts; unilateral modification of the contract by the public authority; fait du prince; rebus sic stantibus clause; Water Law.

- 2014-2015: dispute between the Portuguese Republic and a foreign aircraft renting company to fight forest fires. Amount in dispute: 3 million euros. He was the Arbitrator appointed by the Portuguese Republic to a three-arbitrators tribunal. Subjects: breach of contract; Administrative sanctions to the private investor; Air Law.

-2017-2019: dispute between the Portuguese Republic and a multinational company on the concession for the exploration and prospection of oil deposits in south of Portugal. Amount of dispute: 5 million euros. He was the Arbitrator appointed by the multinational company to a three-arbitrators tribunal. Subjects: breach of contract; Oil and Gas Law.

-2019-2021: dispute between two pharmaceutical multinational companies on generic medicaments. He was the Arbitrator appointed by a company to a three-arbitrators tribunal. Languages: Spanish, English, Portuguese.

Some of the most important international arbitrations in which he has been an arbitrator:

- 1993-1994: dispute between a private British consortium and the Portuguese Republic regarding the expropriation of very big agricultural properties of the consortium in the Alentejo, Portugal, in the framework of the land reform undertaken by the Portuguese Republic in 1974-75. Amount of the dispute: 100 million euros. He was the Arbitrator appointed by the private consortium and the British government for a three-arbitrators tribunal. Languages of the Arbitration: English and Portuguese. Subjects: Takings without compensation or with low compensation; Direct and Indirect Expropriations, namely Expropriation of Contractual Rights; National and International Property Law; Breach of International Contracts; International and National Liability of the State; Environmental Law.

-2007-2010: dispute between a multinational private company, which was part of an international consortium, and a foreign State, regarding to a project finance public work contract in a big port in

Asia. Amount in dispute: 200 million euros. He was the Arbitrator appointed by the private company to a three-arbitrators tribunal. Seat of the Arbitration: Geneva. Law of the Arbitration: Swiss Law. Subjects: Private International Law; Company Law; Relations between National Law and International Trade Law; Breach of International Contracts; State interference in International Contracts; Indirect Expropriation, namely Expropriation of Contractual Rights.

-2018-2021: annulment committee of the arbitral judgement in the ICSID Case No. ARB/13/11 (Valores Mundiales v. Venezuela). Language: Spanish.

-2020-2022: annulment committee of the arbitral judgement in the ICSID Case No. ARB/15/36 (OperaFund and Schwab v. Spain) under the Energy Charter Treaty. Languages: English and Spanish.

-2021-2023: annulment committee of the arbitral judgement in the ICSID Case No. ARB/16/17 (Sun-Flower Olmeda v. Spain) under the Energy Charter Treaty. Languages: English and Spanish

III– Academic Qualifications

Full Professor emeritus of International Law, International Investment and Arbitration, European Union Law, National, European and Global Administrative Law, at the University of Lisbon School of Law.

He holds a European Jean Monnet Chair *ad personam*.

IV– Academic and Research Career

For many years he was a researcher at the Max-Planck Institute of Public Comparative Law and International Law, in Heidelberg, Germany, and in the Departments of Public Law, International Law and International Economic Law, at the Ludwig Maximilian University, in Munich, Germany.

For many years he was a Visiting Professor at the Robert Schuman University School of Law, Strasbourg, France.
